

Love is a space mission,

after the rocket start you arrive at so far unknown galaxies
and it goes beyond all your known experiences.

A romantic couple is shown in profile, facing each other. The man on the left wears glasses and a denim jacket, holding a dark object. The woman on the right has blonde hair and wears a polka-dot top. The background is a soft-focus interior with a chandelier. A digital graphic of four sets of concentric squares in various colors (blue, green, yellow, red, purple) is overlaid on the right side of the image. The text 'Do IT Yourself NFT' is written in white on the left side.
